RECEIVED
SEP - 5 2001
TECHNOLOGY CENTER R3700

Sir:

In response to the Official Action mailed March 1, 2001, the period for response being extended three months up to and including September 1, 2001, by the attached three-month extension of time petition and fee, applicant submits the following amendments and arguments.

IN THE CLAIMS

Please substitute the following amended claims for the corresponding claims previously presented:

Sub I' → 218. (Amended) A rotatable shaft, a mechanism and a device for the working of fluids, said device comprising a cylinder assembly, at least one component assembly mounted to reciprocate within said cylinder assembly, said cylinder assembly having at least one first working surface and said component
